

# 25 Year Warranty

*Country Log Cabins extends to the original purchaser a 25 Year Warranty on all wood components produced by Country Log Cabins to be free from manufacturing defects.*

*Under this warranty, Country Log Cabins will provide replacement material for the items deemed defective by Country Log Cabins. Country Log Cabins shall not be responsible for any warranty claims associated with storage, handling, maintenance or construction practices which do not comply with Country Log Cabins specifications, blueprints or construction manual.*

*This warranty does not cover any defects resulting from improper maintenance or the lack of rain gutters. The log materials must be treated with a Country Log Cabins recommended exterior preservative within (90) days of construction, or this warranty is void. Proper maintenance records are the responsibility of the homeowner.*

*There are other items in the log home package you purchased, such as windows, doors, gasket, hardware, sealants, caulk and the like, these items shall be covered by expressed warranties of specific manufacturers. No such items are manufactured by Country Log Cabins and Country Log Cabins does not warrant any such item.*

*All claims covered under this warranty must be made in writing describing the exact nature of the defect.*
